**Notice of Business Consolidation : Kobe Branch Operations to Merge into Osaka Headquarters**

Dear Valued customers and Partners,

Thank you for your continued support.

As part of our ongoing strategic initiative to optimize operations and enhance service efficiency, Naigai Trans Line Ltd. has decided to consolidate our Kobe Branch into our Osaka Headquarters. The Kobe Branch will officially close on July 3, 2026.

Beginning July 6, 2026, all business activities and services previously handled by the Kobe Branch will be seamlessly managed by our Osaka Headquarters.

Please rest assured that this transition will not disrupt any of our services. We are confident that this organizational alignment will enable us to serve you with greater agility and dedication.

We appreciate your understanding and look forward to continuing our partnership from our Osaka office.
